1. Lobby Master

The bank lobby manager can enable/disable counter windows, edit counter windows, select institutions, grant privileges for number retrieval, and adjust call order on the Lobby Master.

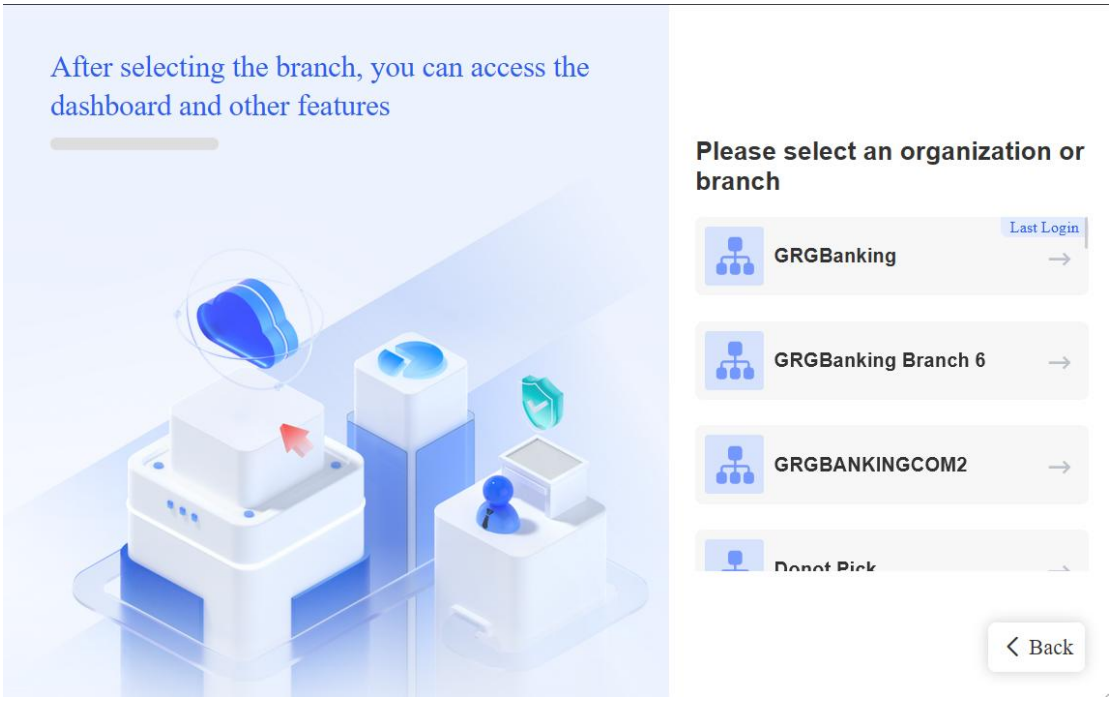

1.1. Log In

The lobby manager enters their account and password to log in to the Lobby Master.

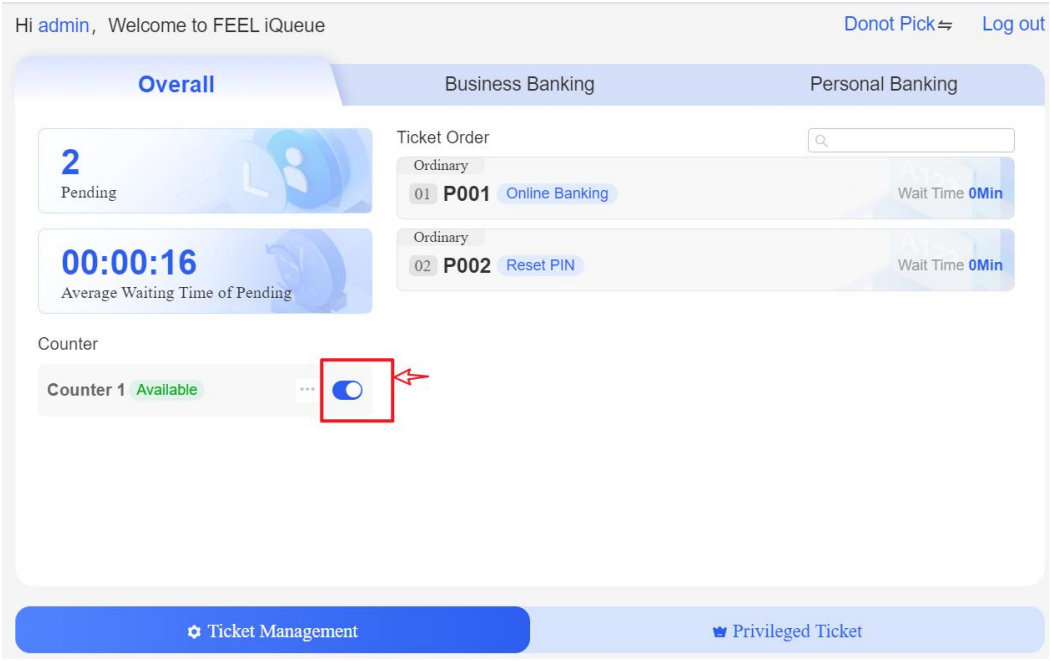

1.2. Select The Branch

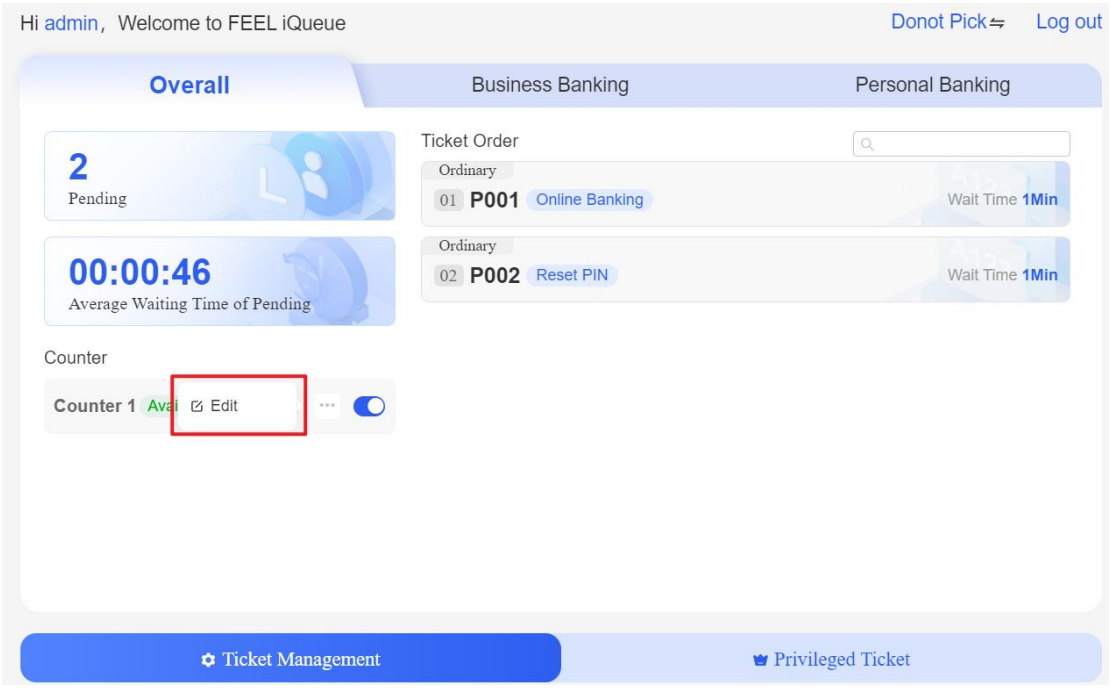

After selecting the branch, you can access the dashboard and other features. At the same time, the system will record the name of the institution selected last time.

1.3. Enable/disable windows, edit windows

After logging into a counter on the management console, you can enable/disable it on the Lobby Master and edit the window

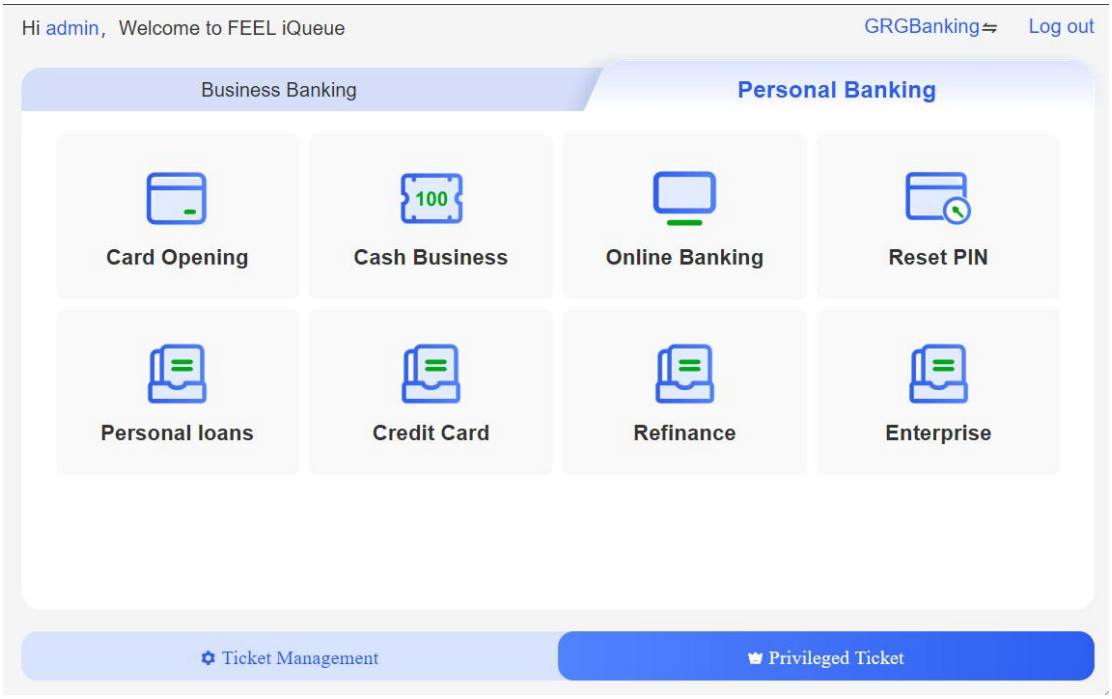

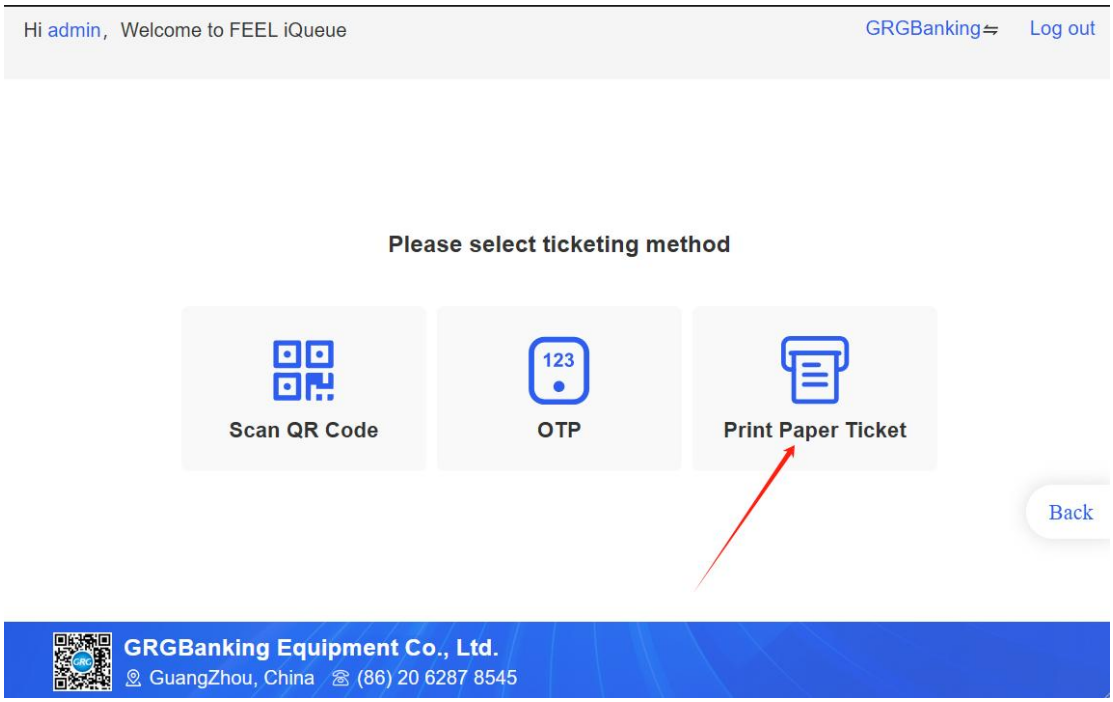

1.4. On site number collection in the lobby

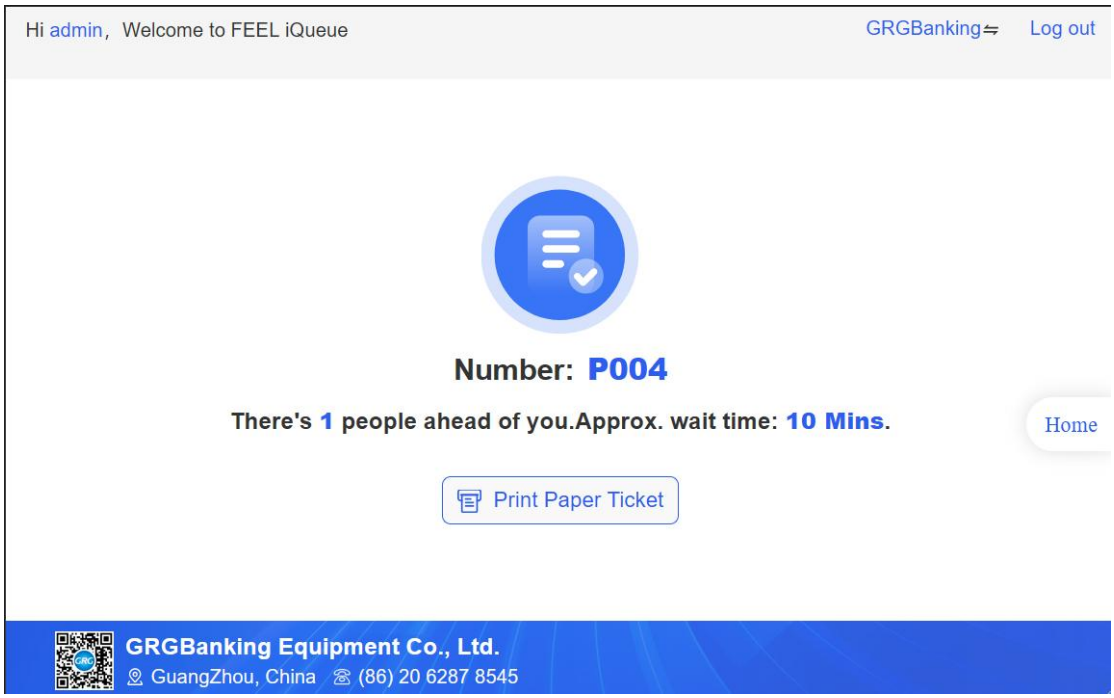

For VIP customers, the lobby manager uses Lobby Master for on-site privileged account retrieval.

1、Choose the ‘Business Banking/Personal Banking’ category, and select Business.

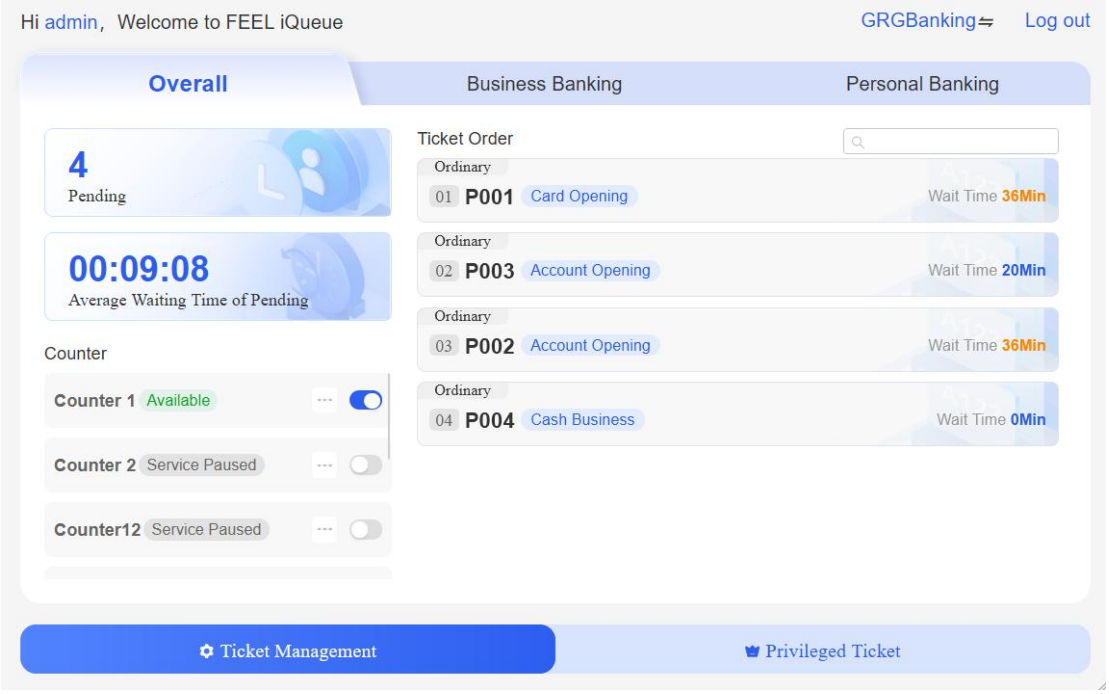

2、Print ticket number.

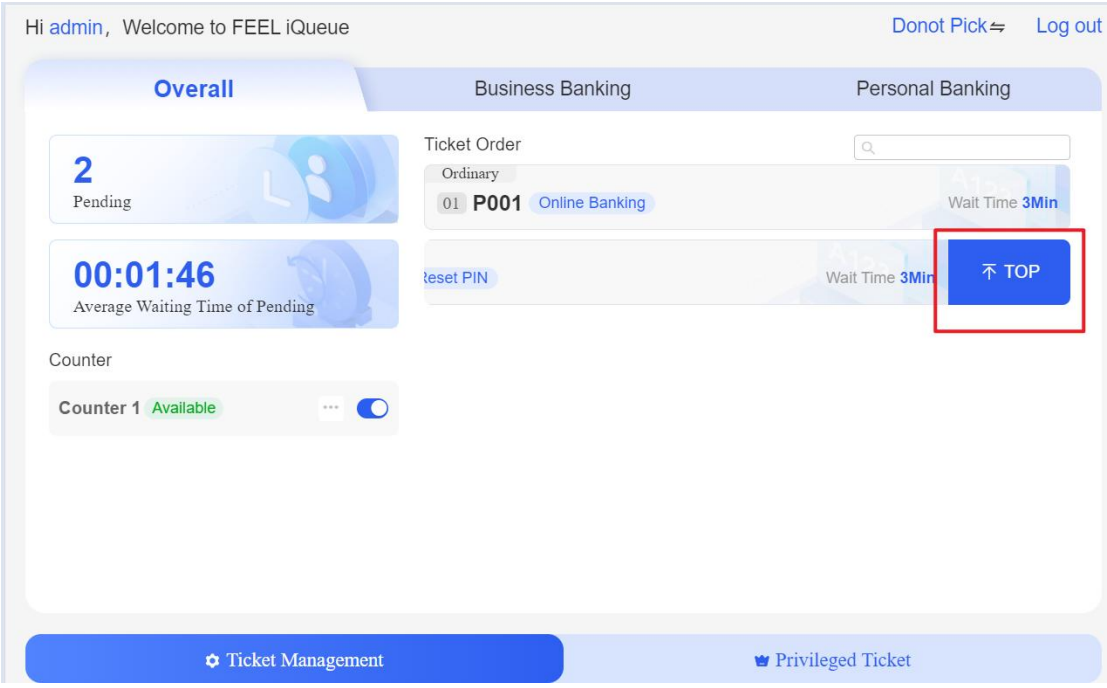

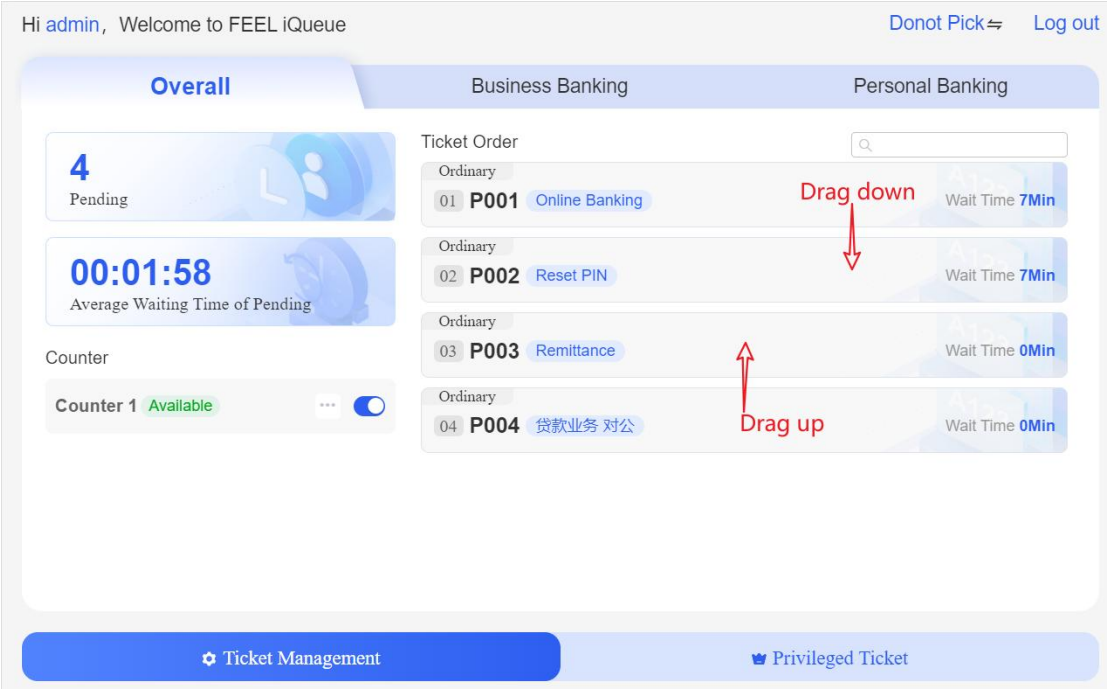

3、View the queue list for number retrieval.

1.5. Adjust the calling order

The Lobby manager can adjust the waiting order by swiping left or up or down the list, so that the customer first in the list is called first
